PORCELANOSA FACADES

1

Active Stock Production

Readily-available

Does your façade have **less than 15,000 square feet** of porcelain cladding production?

If so, you can select from our active stock of colors & sizes in the “Colors” tab of our web. Or download the Active Stock Catalog (ASC).

2

Special Production

Choose Your Porcelain
and Your Size

Does your façade have **more than 15,000 square feet** of porcelain cladding production?

You can choose between the many existing colors in our catalog. And we'll form it into the mold size that best suits your façade while maximizing and meeting your budget.

And remember, “special production” doesn't mean “more expensive”.

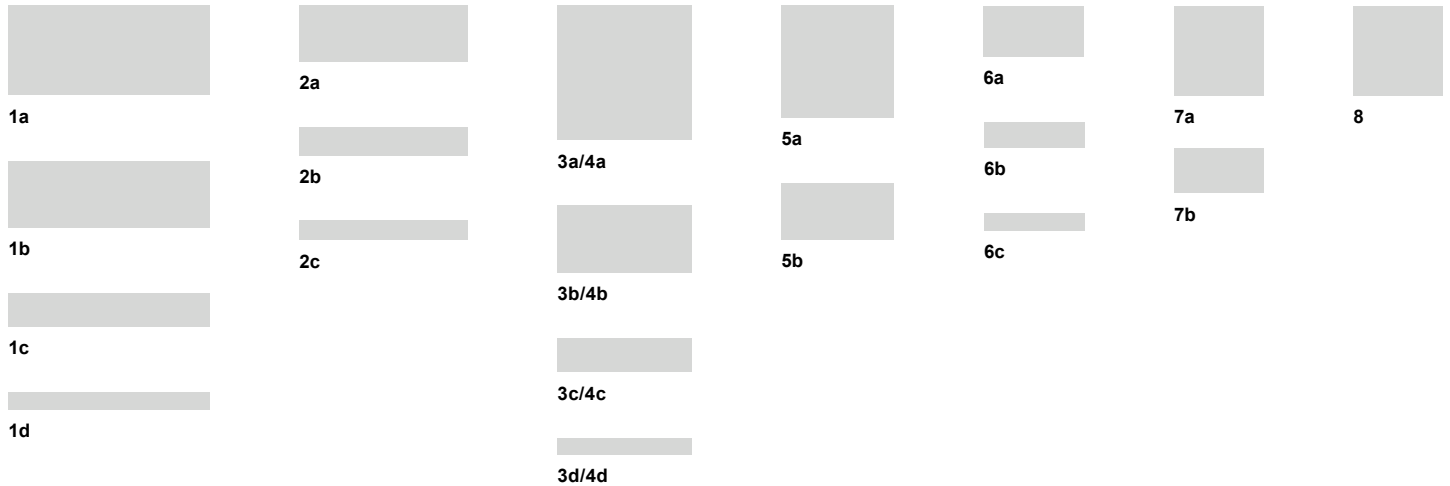

We simply take an existing finish “recipe” we have, and put it in a standard mold size we already have. Optimizing your design intent.

How to Calculate Cladding Take-off

Let's say your façade has 12,000 square feet of cladding material (net area). When you add waste factor (10 - 25%) you might be at 15,000 square feet of material production.

This means **your project qualifies for our Special Production –“Choose Your Color and Your Size”**. Learn more about it in our Main Catalog at page 24.

Panel Sizes

Exact Dimensions

Panel Index	Width		Height		Thickness		
	inches	mm	inches	mm	inches	mm	
1a	70-7/8"	1.800	31-1/2"	800	0,45"	11,5

Avenue Grey

A dark grey, textured material sample with a fine, pebbled grain.

Avenue White

A light beige, textured material sample with a fine, pebbled grain.

Berna Acero

A dark grey, textured material sample with a fine, pebbled grain.

Berna Caliza

A light beige, textured material sample with a fine, pebbled grain.

Berna Grey

A dark grey, textured material sample with a fine, pebbled grain.

Berna Topo

A medium grey, textured material sample with a fine, pebbled grain.

Boston Bone

A light beige, textured material sample with a fine, pebbled grain.

Boston Grafito 

A dark grey, textured material sample with a fine, pebbled grain.

Boston Stone

A medium grey, textured material sample with a fine, pebbled grain.

Boston Topo

A medium grey, textured material sample with a fine, pebbled grain.

Brazil Arena

A light beige, textured material sample with a fine, pebbled grain.

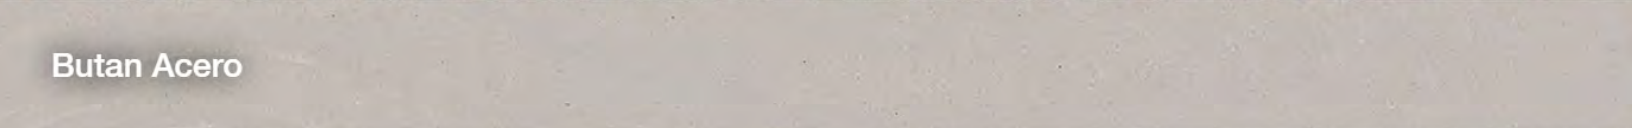

Brazil Blanco

A light beige, textured material sample with a fine, pebbled grain.

Brazil Natural

A dark, textured material sample with a fine, pebbled grain.

Butan Acero

A medium grey, textured material sample with a fine, pebbled grain.

Butan Bone

A light beige, textured material sample with a fine, pebbled grain.

Cascais Beige

A light beige, textured material sample with a fine, pebbled grain.

Cascais Natural

A rectangular tile sample with a light grey, slightly textured surface, showing subtle variations in tone and some fine, dark speckles.

Cascais Noce

A rectangular tile sample with a dark brown, almost black, textured surface, showing some lighter brown veining and a slightly uneven finish.

Caucaso Beige

A rectangular tile sample with a light beige, textured surface, featuring a mottled pattern of darker beige and brown spots.

Caucaso Blanco

A rectangular tile sample with a light grey, textured surface, showing a mottled pattern of darker grey and white spots.

Caucaso Negro

A rectangular tile sample with a dark, almost black, textured surface, showing some lighter brown veining and a slightly uneven finish.

Caucaso Rojo

A rectangular tile sample with a reddish-brown, textured surface, showing some darker brown veining and a slightly uneven finish.

Caucaso Verde

A rectangular tile sample with a greenish-grey, textured surface, showing some darker green veining and a slightly uneven finish.

Ceilan Marfil

A rectangular tile sample with a light beige, textured surface, showing a mottled pattern of darker beige and brown spots.

Ceppo Acero

A rectangular tile sample with a speckled, textured surface, featuring a mix of grey, white, and brown tones with small, dark, irregular shapes.

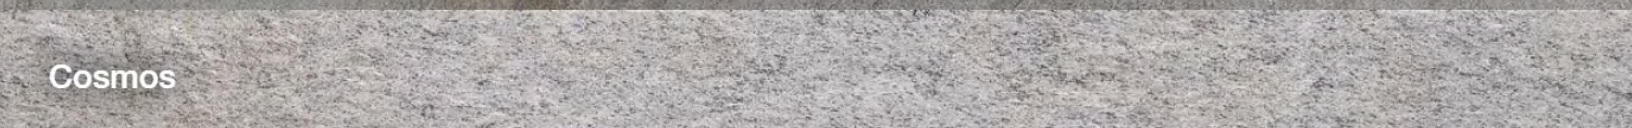

Ceppo Stone

A rectangular tile sample with a speckled, textured surface, featuring a mix of grey, white, and brown tones with small, dark, irregular shapes.

China Acero

A rectangular tile sample with a light grey, textured surface, showing a mottled pattern of darker grey and white spots.

China Silver

A rectangular tile sample with a dark grey, textured surface, showing a mottled pattern of darker grey and white spots.

Cosmos

A rectangular tile sample with a light grey, textured surface, showing a mottled pattern of darker grey and white spots.

Dayton Ash

A rectangular tile sample with a light grey, textured surface, showing a mottled pattern of darker grey and white spots.

Dayton Graphite

A rectangular tile sample with a dark grey, textured surface, showing a mottled pattern of darker grey and white spots.

Dayton Sand

A rectangular tile sample with a light beige, textured surface, showing a mottled pattern of darker beige and brown spots.

Deep Brown

A solid, dark brown color swatch.

Deep Grey

A solid, dark grey color swatch.

Deep Grey Light

A solid, medium-dark grey color swatch.

Deep White

A solid, off-white color swatch.

Desert Blue

A color swatch featuring a dark, textured blue-grey background with a prominent, horizontal, wavy, reddish-brown vein running across the middle.

Detroit Silver

A solid, light grey color swatch.

Dover Acero

A color swatch with a light grey background and a fine, vertical, ribbed texture.

Dover Arena

A color swatch with a light tan background and a fine, vertical, ribbed texture.

Dover Caliza

A color swatch with a light grey background and a fine, vertical, ribbed texture.

Dover Topo

A color swatch with a dark brown background and a fine, vertical, ribbed texture.

Durango Acero

A color swatch with a light grey background and a fine, vertical, ribbed texture.

Durango Bone

A color swatch with a light tan background and a fine, vertical, ribbed texture.

Durango Silver

A color swatch with a dark grey background and a fine, vertical, ribbed texture.

Durango Topo

A color swatch with a light tan background and a fine, vertical, ribbed texture.

Estocolmo Gris

A color swatch with a light grey background and a fine, vertical, ribbed texture.

Estocolmo Natural

A color swatch with a light tan background and a fine, vertical, ribbed texture.
